Dear Parents/Carers

As part of our commitment to careers education, we would be keen to hear from any parents who feel that their own experiences in the workplace would be of benefit to our students and who would be willing to offer guidance to our young people about the next stages of their education, employment, self-employment or training. In particular, we are looking for members of our school community who may be able to help deliver curriculum lessons, mentor students or lead mock interview sessions, blending careers ideas with academic learning.

If you would be interested in supporting our students with their careers education, please contact me directly at school.

Yours sincerely,

Mr S Miles  
Head Teacher
