

- I will become a thoughtful and active citizen who will engage intelligently and enthusiastically with my community and the wider society.
- I will develop an inquiring mind in relation to how self-awareness, cultural diversity and British Values form the basis of our culture and develop the skills that ensure I become an active and engaged citizen.

In Year 11...

- I will investigate active citizenship and the role of politics and participation in the UK.
- I will undertake a research project: 'How do others govern themselves' and 'Bringing about political change'
- I will be given the opportunity to compare different political systems and consider the impact of political actions.
- I will investigate complex issues, such as freedoms, democracy and rights and the application of UK values.

In Year 10...

- I will study Life in Modern Britain and how multiculturalism, rights and responsibilities and the UK's relationships with international organisations shape the society in which we live.
- I will be given the opportunity to consider different representations of the views of others, whilst reflecting on my own choices and the impact of civil actions on society today.
- I will learn about what career options are available to me and gain a better understanding of the expectations of the work place.

In Year 9...

- I will consider how to make myself more successful and employable through personal action planning.
- I will develop an understanding of personal finance in order to prepare myself for the world of work.
- I will consider what it means to be a British Citizen and how our rights and responsibilities can make a difference to our community.

In Year 8...

- I will learn about key issues impacting on society, such as homelessness and drug abuse and what can be done to help those affected.
- I will consider the impact of emotional issues, such as bereavement and organ donorship and how to be supportive to others.
- I will investigate what careers options are available to me after school.
- I will gain an understanding of the key British Values and how I can become an active participant in society.

In Year 7...

- I will learn about key issues impacting on society, such as mental health and what can be done to help those affected.
- I will consider what it means to be a global citizen and what I can do to help with sustainability.
- I will gain an understanding of self-awareness and how I can identify my key strengths and build on my weaknesses.
- I will begin thinking about what a career is and what my future career path might look like.
