

## **PE and Sports Premium Proposed Expenditure 2016-17**

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. In most cases, we determine how many pupils in your school attract the funding using data from the January 2016 school census.

Schools with 16 or fewer eligible pupils receive £500 per pupil.

Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This year we have £17,003 in the budget.
